EXPERIENCE

HEAD DESIGNER

Greenburo Screen Printing & Embroidery · Hillyard, WA · 2009 - 2016

A small shop in Spokane's Hillyard with a range of clients from Spokane Humane Society to Northwest tribes, to numerous businesses, clubs, and individuals from around the region. Responsibilities Included:

- Maintaining and organizing multiple deadlines ranging from same day to a few months.
- Selling product and producing ideas based on customer specifications.
- Creating a web presence as well as marketing collateral.
- Printing for garment specifications, cutting vinyl names and numbers, mixing inks.
- Studying garments, ink types, styles and methods in order to stay consistent, yet contemporary.

FREELANCE ARTIST

Pizzabuns.net · 2011 - PRESENT

My focus has been on small, local businesses and individuals. Emphasizing authentic, thoughtful, and affordable work to best represent their company or event. As a freelance artist, I am responsible for:

- Discussing ideas, mission statements, and needs in order to create the most effective logo or design.
- Creating and cataloging multiple designs, creating mock-ups, determining price and providing samples.
- Communicating with printers and web designers and optimizing deliverables accordingly.
